

February 2021

Declaration of Compliance

REACH-211 Substances of Very High Concern (SVHC)

To Whom It May Concern,

Avery Dennison Fastener Solutions is dedicated to ensuring that its products are compliant to worldwide regulatory systems. Avery Dennison Fastener Solutions products are fully compliant with the Substances of Very High Concern (SVHC) restrictions with the European Union's Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), Regulation EC/1907/2006. The SVHC are not intentionally added or used in the manufacturer of Avery Dennison Fastener Solutions products.

On January 19, 2021 ECHA officially added 2 additional substances to the Candidate List for a total of 211 substances.

The candidate list table may be found at:
