NEO™

Wet-Apply Color Paint Protection Film

The ultimate fusion of depth and defense.

Neo™ Color Paint Protection Films are engineered to deliver an intensely rich, premium black transformation. This wet-apply PPF shield provides an incredibly smooth, mirror-like gloss or a refined, non-reflective matte finish while defending your factory paint against severe road debris and environmental wear.

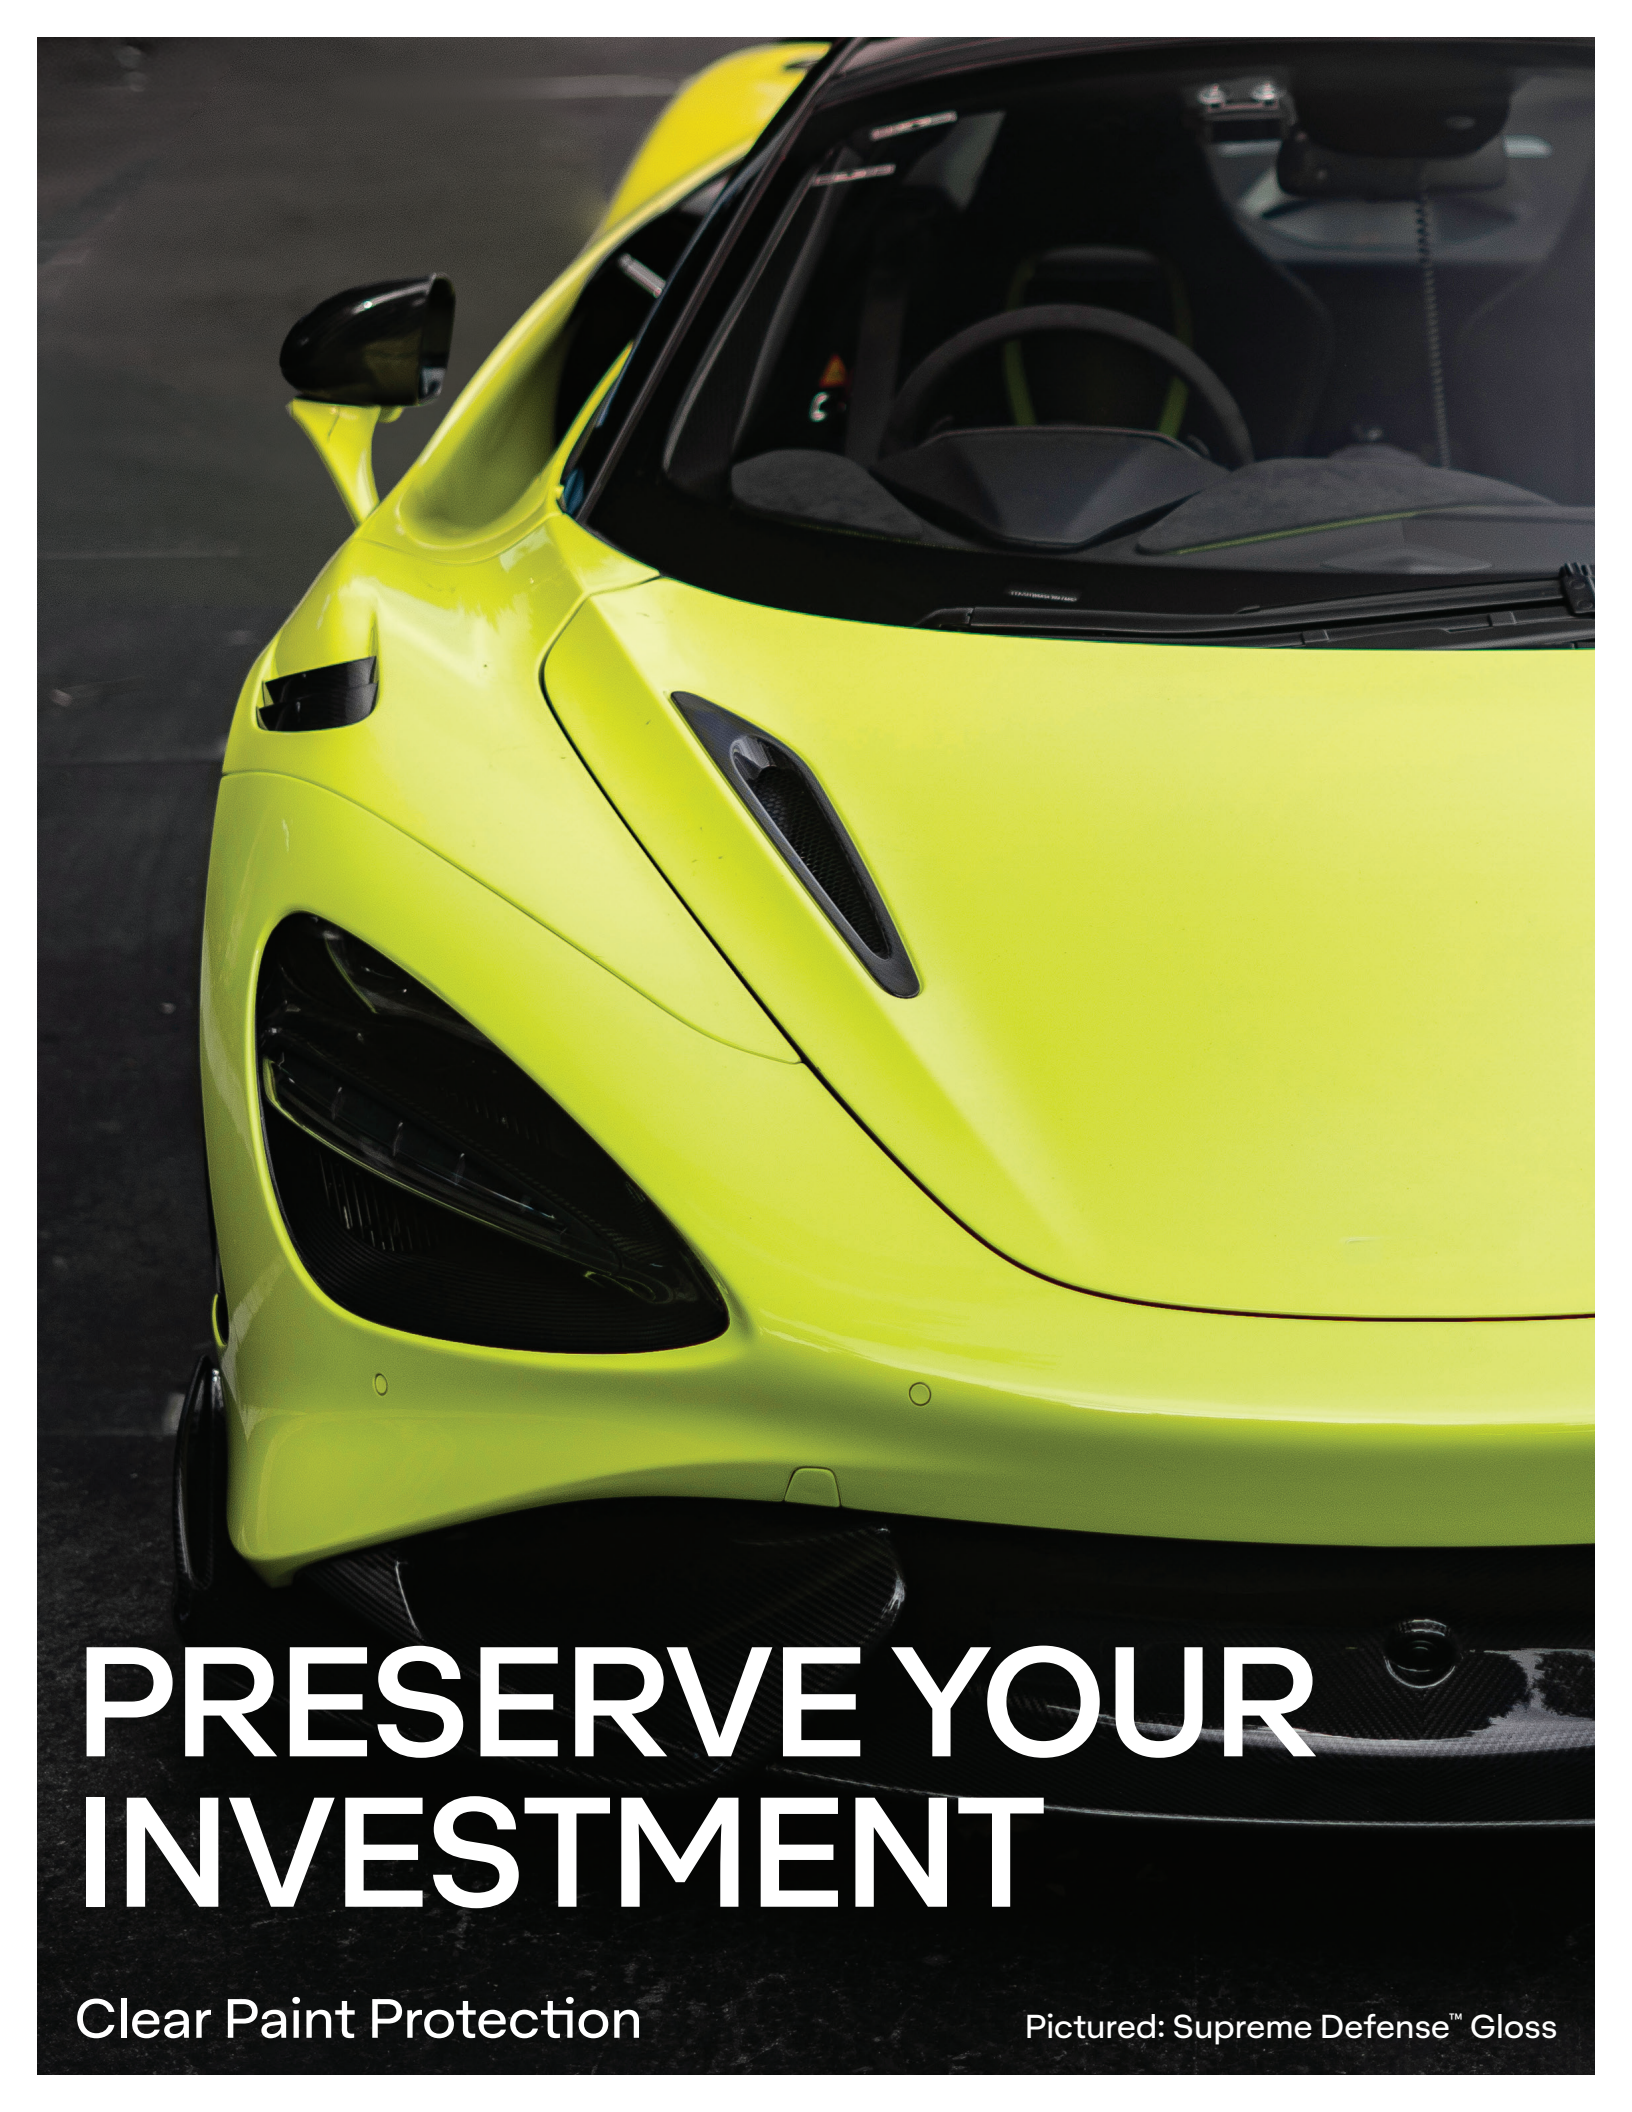

Neo™ Noir Gloss Black

A stunningly deep, reflective piano-black finish designed for full wraps or high-contrast accents.

Neo™ Matte Black

A smooth, non-reflective finish that accentuates complex vehicle lines with subtle elegance.

PRESERVE YOUR INVESTMENT

Clear Paint Protection

Pictured: Supreme Defense™ Gloss

SUPREME DEFENSE™

Supreme Defense™ Gloss

The pinnacle of invisible protection.

This premium film keeps your factory paint looking brand new with a crystal-clear finish. Featuring advanced self-healing technology and a 10-year warranty, it is the elite choice for long-term preservation.

Supreme Defense™ Gloss Lite

Professional protection for every project.

Our mid-tier gloss film offers reliable Avery Dennison quality with a sleek finish and a 7-year warranty. It is the ideal solution for drivers seeking high-performance protection at a competitive price point.

Supreme Defense™ Matte

The modern edge in paint defense.

Instantly transform your factory paint into a smooth, stealthy matte finish. This durable shield provides advanced self-healing protection against the elements, backed by a 7-year warranty.

TOTAL CABIN COMFORT

Automotive Window Film

Pictured: Encore™ Supreme IR

ENCORE™ WINDOW FILMS

Drive in comfort and protect your interior. Our Encore™ portfolio uses advanced nanoceramic technology to block heat and 99% of harmful UV rays. Experience maximum clarity and solar protection for an elevated experience every time you're behind the wheel.

Encore™ Supreme IR

The ultimate driving experience.

Engineered with advanced nanoceramic technology, Encore™ Supreme IR delivers unparalleled performance by blocking up to 93% of selective infrared heat while providing superior clarity and a bold, deep black finish.

Encore™ Shield IR

The invisible shield for any glass.

Virtually clear yet powerfully effective, this advanced film blocks intense infrared heat and 99% of harmful UV rays without altering your vehicle's factory look.

Encore™ Supreme

A great balance of performance and style.

This sophisticated film delivers elevated heat rejection and enhanced privacy while protecting your interior from fading and sun damage.

Encore™

Essential protection for every driver.

Get the classic look you want with the reliable UV protection you need. This film provides a sleek black finish and dependable heat rejection for a more comfortable drive.

ONE PORTFOLIO WITH ENDLESS POSSIBILITIES

Avery Dennison is the global leader in restyling solutions. We are trusted by the world's elite restylers and loved by the most driven enthusiasts. Whether your goal is a total color change, custom graphics, or premium protection, Avery Dennison is the standard.

Avery Dennison® Training Programs

Whether you are an experienced installer looking to sharpen your edge or a beginner mastering the basics, our training classes are built for your success. Our hands-on programs cover the wrap, paint protection film, and window tint industries. Led by elite trainers, these classes deliver the deep technical knowledge and real-world practice you need to build your skills, reduce costly rework, and maximize your shop's profitability.
